ORDER

This matter is before the Court on Defendant Charles E. Townsend's Motion for Early Termination of Probation. (Dkt. 24.) The Government does not oppose the Motion and recommends early release. Since being placed on supervised release over two years ago, Mr. Townsend has substantially complied with all the conditions of his supervised release, and has demonstrated his intent to repay his ordered restitution amount in full.

Pursuant to its authority under 18 U.S.C. § 3583(e), the Court finds that, given Mr. Townsend's exemplary record of compliance with his terms of supervised release, early termination of his term of supervised release is warranted and is in the interest of justice.

Defendant's motion is **GRANTED**.

IT IS SO ORDERED.
